Advertising Methods

An effective technique for figuring out a worth is to ship out a survey to your present customers. If these prospects have already bought an e book from you, ask for their opinion in terms of price. Do this by creating a sales web page for the new ebook, but don't include a worth on that page. As a substitute, add various links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with

different prices on each page. Be certain your gross sales copy is exactly the same on every web page, and consists of your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum price is.

In the end, if you happen to've written a ebook that solves a drawback or presents a brand new method, your ebook will herald each visitors and profits.
